

## **Making a Request to Extend Deadline**

A landlord, tenant, or another party in an LTB proceeding may ask the LTB to extend the amount of time they have to submit a motion, request, application or submission. If the request to extend the deadline is granted, the LTB will accept the motion, request, application or submission that the party wants to file after the deadline. If the request is denied, the standard deadline will apply. The LTB cannot extend certain types of deadlines.

## **How to complete a Request to Extend Deadline**

Before completing the request form, carefully review these instructions. It's your responsibility to make sure your request is correct and complete by providing all necessary reasons and documents. If your request is denied, you cannot make another request to extend the same deadline unless there has been a significant change in circumstances since the original request.

## **Reasons for your request**

Explain the reasons for your request and why it should be granted. The reasons must relate to the application. Unrelated reasons will not be considered.

## **Please provide any accompanying documents to support your request. Failure to include supporting documents may lead to your request being denied.**

You must also provide a copy of the motion, request, application or submission that you want to file after the deadline, unless there are exceptional reasons you cannot do that.

If using a medical document to support your claim it should include:

- information about the medical issue, such as a diagnosis.
- the effect of the medical condition on your ability to attend and participate in a hearing.
- a medical professional's opinion about when you will be well enough to attend a hearing and participate in a hearing.

In deciding whether to grant your request, the LTB Member may consider the following factors in Rule 16.4 of the LTB's [Rules of Procedure](#):

- a. Any prejudice (harm) you or another the party may experience if the request is granted or not granted;
- b. Whether there is any way the prejudice may be remedied (addressed);
- c. Whether this request is made in good faith;
- d. If the request is for an extension of time, the length of the delay in filing the document and the reason for it;
- e. Any other factors the LTB Member considers relevant in the circumstances.

See instruction document for detailed instructions.
