Related Applications

If you or your landlord have filed other applications that relate to this rental unit, and those applications **have not** been resolved, fill in the file numbers in the space provided.

PART 2: REASONS FOR FILING THIS APPLICATION

You can make this application if the landlord has not repaired or maintained the rental unit or the residential complex or has not complied with health, safety, housing and maintenance standards. If the problem has been fixed, you must apply within one year of the date the problem was fixed.

A landlord is responsible for maintaining a residential complex and the rental units in a good state of repair and fit for habitation and for complying with health, safety, housing and maintenance standards. The responsibilities of the landlord of a mobile home park or leasehold community also include maintaining the park roads in a good state of repair, removing snow and garbage and maintaining the water supply, sewage disposal, fuel, drainage and electrical systems in a good state of repair.

Explaining your Reasons

Describe the maintenance problem in detail. Indicate the date the problem started and whether it is ongoing. If the problem was fixed within the last year, indicate the date it was fixed and who fixed it. If you are not sure of the exact dates, provide approximate dates. Explain who and what may have caused the problem.

Also, in the space provided fill in the date you first informed the landlord about the maintenance problem.

PART 3: REMEDIES

There are nine different remedies which the LTB can grant in an order for a *Tenant Application about Maintenance*. If the LTB issues an order in your favour, it may decide to order a different remedy or remedies than you request.

The most the LTB can order based on your claims is \$35,000. If you believe the landlord owes you more than \$35,000, and you want to collect the full amount, you should apply to court and not to the LTB. Once the LTB issues an order, you no longer have any claim to amounts greater than \$35,000.

Shade the appropriate box(es) for the remedy(ies) you want the LTB to include in its order.

Remedy 1: The landlord must pay me a rent abatement.

A rent abatement can relieve the tenant from their obligation to pay all or some portion of their rent for a specified period of time.

If you choose this remedy, you must fill in the dollar amount of the abatement you want the LTB to order. You must also fill in the amount of your current rent and how often you pay it (for example, by the month or the week). In the box provided, explain in detail how you determined the amount that you are asking for. Attach additional sheets if necessary.

Remedy 2: The landlord must pay me for the costs to repair or replace my property that was damaged, destroyed or disposed of because the landlord did not repair or maintain the rental unit or the residential complex.

If the LTB determines that your property was damaged, destroyed or disposed of as a result of the landlord's failure to repair or maintain the rental unit or residential complex, the LTB can order the landlord to pay you compensation for the costs that you have incurred or will incur to repair or replace your property.

If you choose this remedy, you must fill in the dollar amount of the compensation you want the LTB to order. In the box provided, explain in detail how you determined the amount you are asking for. Describe how your property was destroyed, damaged or disposed of. Also, you must explain whether or not your property can be repaired. If you believe that repairing the property is not reasonable and that it must be replaced, tell the LTB why you think this. Attach additional sheets if necessary.

Remedy 3: I had or will have out-of-pocket expenses because the landlord did not repair or maintain the rental unit or the residential complex. The landlord must pay me for these expenses.

If the LTB determines that the landlord did not repair or maintain the rental unit or the residential complex as claimed on your application, and as a result of these actions you experienced or will experience additional costs, the LTB may order the landlord to pay you for any reasonable out-of-pocket expenses (actual costs you paid to third parties) that you have paid or will pay.

Fill in the dollar amount of the compensation you want the LTB to order. In the box provided, describe in detail the additional expenses that you have incurred or will incur and how you determined this amount. Explain how the landlord's failure to repair or maintain the rental unit or the residential complex has caused or will cause you to incur these expenses. Attach additional sheets if necessary.

Remedy 4: I did repairs, replacements or other work because the landlord did not repair or maintain the rental unit or the residential complex. I want the LTB to authorize the work I did and to order the landlord to pay me for my costs.

You can choose this option if you did the repair or other work yourself, or purchased a replacement at your own expense because the landlord did not repair or maintain the rental unit or the residential complex and you want the landlord to pay you for these costs. For example, if you paid to have your refrigerator repaired, the LTB could approve the repair and order the landlord to refund you the cost by a specific date. The LTB could also allow you to deduct the amount owing from future rent payments.

If you choose this remedy, shade the box on the form. Indicate the total costs in the space provided. Describe the work you did or the item you purchased and provide a detailed explanation of how you determined the amount you are asking for. Attach additional sheets if necessary.

Remedy 5: I want the LTB to allow me to do the repairs, replacement or other work that is necessary and to order the landlord to pay me for my costs.

The LTB can authorize you to do the repair or other work, or to purchase a replacement item and order the landlord to pay you for them. For example, if you are willing to pay to have your refrigerator fixed, the LTB could approve the repair and order the landlord to refund you the cost of the repair by a specific date. The LTB could also allow you to deduct the repair costs from future rent payments.

In the box provided, describe in detail what work you plan to do, how much will it cost and provide a detailed explanation of how you calculated the cost of the repairs, replacement or other work that is necessary. Attach additional sheets if necessary.

Remedy 6: I want the LTB to order the landlord to do the repairs, replacement or other work that is necessary.

The LTB can order the landlord to complete the repair, replacement or other work by a specific date. It is an offence for the landlord to contravene such an order.

In the box provided, explain in detail what work you want the landlord to do.

Remedy 7: I want the LTB to order that the landlord cannot increase the rent for this rental unit until the landlord completes the work necessary to fix any serious maintenance problems that the landlord has been ordered to do or will be ordered to do.

If you want the LTB to stop the landlord from increasing the rent until the landlord has completed the repairs, replacements or other work necessary to fix any serious maintenance problems, shade this box on the form.

Remedy 8: I want the LTB to end my tenancy.

If you want the LTB to end your tenancy, shade this box on the form and indicate the date you would like the tenancy to end.

If you ask for this remedy and the LTB orders it, the LTB may include provisions in its order to evict you if you do not move out by the date set out in the order. This means that if you do not move out, your landlord can file the order with the Sheriff to have you evicted.

Remedy 9: I want the LTB to order other remedies.

The LTB can make any other order that it considers appropriate. If you want the LTB to issue an order which provides for remedies that are not reflected in remedies 1 through 8, explain in detail what order you would like the LTB to make in the space provided. Attach additional sheets if necessary.

PART 4: SIGNATURE

If you are the tenant, shade either the circle marked “Tenant 1” or “Tenant 2” depending on whether you filled in your name under “Tenant 1” or “Tenant 2” on page 1 of the form. Then, sign the application form and fill in the date.

If you are the tenant’s representative shade the circle marked “Tenant’s Representative”. Then, sign the application form and fill in the date.

REQUEST FOR ACCOMMODATION OR FRENCH-LANGUAGE SERVICES

The LTB wants to ensure that everyone who uses its services can ask for and receive accommodation and/or French Language services in order to be able to participate in its proceedings on an equal basis.

Shade the appropriate box or boxes on the form to indicate whether you need accommodation under the Ontario *Human Rights Code*, French-language services or both. The LTB will not include a copy of this form when we give the other parties a copy of the application form. However, the information will be included in your application file. The file may be viewed by other parties to the application.

If you require accommodation under the *Human Rights Code*, explain what services you need in the space provided.

The LTB will schedule your hearing on the first available hearing date within this 3 week period. If there are any dates that you are not available during this 3 week period, list them here.
